Kabul Afghanistan

## ABOUT ME:

I am Zhakya Nuristany, a dedicated Computer Science student at Kardan University. Eager to graduate and embark on a fulfilling career, I possess a strong foundation in programming, data management, and AI. I seek a dynamic role where I can apply my skills and contribute to innovative solutions. As a proactive and detail-oriented team player, I am excited to join an organization that values growth and fosters a positive work environment.

Thank you for considering my application. I look forward to discussing how my skills align with your company's vision.

Sincerely,

Zhakya Nuristany
